

REASONS FOR ALLOWANCE

The following is an examiner's statement of reasons for allowance:

Claims 9, 11-13 and 15-20 are allowed because the Declaration has been submitted on 08/11/09 to show the unexpected characteristics in the use of "at least 30 mol% of the acid component", such as the higher solvent solubility (Ex. No. 3-5) in Table 1 compared to those who has less than 30 mole%, in the claimed thermoplastic imide oligomer.

Claim 14, embraces the thermoplastic imide oligomer of claim 9, will be rejoined and be allowed also.

Therefore, claims 9, and 11-20 are allowed.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Duc Truong whose telephone number is 571-272-1081. The examiner can normally be reached on Monday-Friday.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, James Seidleck can be reached on 571-272-1078. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.

Art Unit: 1796

Information regarding the status of an application may be obtained from the Patent Application Information Retrieval (PAIR) system. Status information for published applications may be obtained from either Private PAIR or Public PAIR. Status information for unpublished applications is available through Private PAIR only. For more information about the PAIR system, see <http://pair-direct.uspto.gov>. Should you have questions on access to the Private PAIR system, contact the Electronic Business Center (EBC) at 866-217-9197 (toll-free). If you would like assistance from a USPTO Customer Service Representative or access to the automated information system, call 800-786-9199 (IN USA OR CANADA) or 571-272-1000.
